

## ***City of Winston Volunteer Opportunities***

The New Year, in the City of Winston, brings with it several vacancies on various boards, commissions and committees once our newly elected officials take their oaths of office in January.

Maintaining a valuable support system is critical in order for City leaders to reach goals successfully. Volunteers will soon be needed to play key roles and assist leaders in important decision making. Citizen involvement applications are available at City Hall, 201 NW Douglas Blvd., or on the website [www.winstoncity.org](http://www.winstoncity.org). If you would like more information about these and other volunteer opportunities contact City Hall at 541-679-6739 during normal business hours Monday through Friday.
