## **100. INTRODUCTION**

The Winston Urban Renewal Plan consists of Part One – Text and Part Two – Exhibits. This Plan has been prepared pursuant to Oregon Revised Statute (ORS) Chapter 457, the Oregon Constitution, and all applicable laws and ordinances of the State of Oregon and the City of Winston respectively. All such applicable laws and ordinances are made a part of this Plan, whether expressly referred to in the text or not.

This Winston Urban Renewal Plan for the Winston Urban Renewal Area was approved by the Winston City Council on \_\_\_\_\_ by Ordinance No. \_\_\_\_.

## **200. CITIZEN PARTICIPATION**

The Winston Urban Renewal Plan was prepared to assist in implementing recommendations for the Winston Downtown Redevelopment Plan, prepared by the Oregon Downtown Development Association in July, 2005. The Downtown Plan made a series of recommendations for improving poor business and physical conditions in downtown Winston. One of the recommendations of the Downtown Plan was to examine the use of urban renewal to help provide the funds and tools to treat the conditions that impeded development and new investment in downtown Winston.

This Winston Urban Renewal Plan was developed in a series of four-public meetings and a public workshop on urban renewal at the annual Community Goals meeting in January 2006. The meetings and workshop were held between-January and August 2006. The meetings were conducted by a Citizens Advisory Committee, appointed by the City Council. The Committee reviewed and helped develop all aspects of the Urban Renewal Plan and Report. Meeting topics included basic information on urban renewal and tax increment financing, development of project goals and objectives, development of a list of project activities, and a thorough review of the revenues, costs, and tax impacts of carrying out the project.

The City Planning Commission met to review the Plan on November 29, 2006. The Winston City Council scheduled a public hearing on adoption of this Plan on December 11, 2006. Additional notice for the City Council's hearing on adoption of the Plan was provided, as required by ORS 457.120.
