

MANAGER'S MINUTE

November 2019

The holiday season is already upon us and I want to take this opportunity to wish you all a happy Thanksgiving and merry Christmas. Please join us for the Christmas parade and Christmas tree lighting on December 7th. The parade will start at 5:30 and the tree lighting will follow in Civic Wayside Park next to Grocery Outlet.

The new City Shop is now complete and the Public Works employees will begin moving the small equipment into the new shop and begin tearing down the old unsafe building. As one project comes to completion several more are going to be starting up and proceeding depending on the weather. If you drive by you will see the large concrete structures that will be installed underground at the corner of Snow Street and Hwy 42. This is the beginning of the replacement of the Snow sewer lift station which is the second largest sewer pumping station in the City. Also, City Hall will begin a face lift with new paint, repairs to the wood façade replacing wood rot, and installing new ADA accessible doors. In next year's budget we will be placing new awnings on the front of City Hall. In addition, the Winston Area Chamber of Commerce has recently chosen to end their contract with the City of Winston for managing the local Visitor Information Center, VIC. Currently, the VIC is located in the south end of Banner Bank but we will be moving it to a new location in the east end of City Hall. This will come with new signage such that visitors and tourist can find it and see what's what in Winston and the surrounding area.

November City Council Actions

The following new business licenses we approved:

- Jimmy's Roofing
- DMac's Construction
- The Odd Duck

Approved Ordinance:

- Ordinance 19-684 - changing the Zoning from Residential 4.5 dwellings per acre to Residential 16 dwellings per acre. The property is located at Tax lot no's 3900, 4100 and 4200 south of Lost Ln. and west of Main St. and are commonly identified as 108 Lost Ln; 168 NW Reed and 140 Lost Ln.
