

Mark Bauer, City Manager/City Recorder

Mark joined the Winston team in 2016 from Edgewood Washington. He has been a City Manager since 1999 and has a degree in civil engineering. Mark is responsible for coordinating and directing all city operations, projects, and programs. He assists with delineating goals that the City government will pursue, then develops a plan of action to follow in pursuit of those goals. A plan of action implementing policies and directions through professional leadership and management practices to ensure all operations are performed in a timely and respectful manner that is fiscally responsible. Mark is also the City Recorder for management and retention of all City records including contracts, legal and public notices, elections, ordinances, resolutions. Mark can be reached at City Hall.
