

Good Morning Commissioner Kress

I'm reaching out to you today in hopes of connecting with some interested Winston community members that would be willing to help to serve the isolated older adults living in Winston and the surrounding areas. The recent COVID -19 Pandemic has made it extremely difficult to find Meals on Wheels drivers for Douglas County Senior Meal Program. Our program follows the required safety measures and standards. Presently we are in need of 3 people for each day of each week on Tuesday, and Thursday 10 am to 12:30 pm to assist delivering no contact Meals on Wheels meals and 1 person as a backup for the Meals on Wheels drivers.

Any assistance you can provide would be gratefully welcomed, for more information about volunteering or to sign up you can contact Sandy Williams at 541-643- 0307.

With respect and gratitude

Thank you

Jeanne Wright

Douglas County

Senior Services Director
