City tax on recreational marijuana retailers' sale of marijuana items

Question 20 words which plainly phrases the chief purpose of the measure.

Shall Winston impose a three percent tax on sales of marijuana items by recreational marijuana retailers in the City?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

If adopted by the voters, this measure would impose a three percent tax on sales of marijuana items (including marijuana, marijuana products and marijuana extracts) by recreational marijuana retailers licensed by the Oregon Liquor Control Commission and located within the City of Winston. The tax would be collected from consumers by recreational marijuana retailers at the point of sale. Recreational marijuana retailers would remit the three percent tax to the City. The three percent City tax would be imposed in addition to any state taxes on the sale of marijuana items. The three percent City tax would not be imposed on medical marijuana sales.
