City Advisory Ballot on Regulations for Marijuana Retailers

Question 20 words which plainly phrases the chief purpose of the measure.

Should the City amend its code to allow marijuana retailers in additional locations as permitted under State regulations?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This is an advisory ballot measure to ascertain citizen support for potential future amendments to City code. Current City Zoning Code restricts the allowed locations for marijuana retailers within the City on a more stringent basis than State regulations. If this measure passes it will indicate citizen support for code amendments to allow marijuana retailers in additional locations within the City, while still complying with State regulations on the location and manner of operation of such marijuana retailers. The City would hold future public hearings on any such proposed amendments of the Zoning Code prior to adopting any such amendments.
