Any driver involved in an accident that results in death, injury (no matter how minor), or over \$1500 damages to any vehicle is required to file a DMV Oregon Traffic Accident and Insurance Report. These forms can be picked up at the Winston Police department, or downloaded from the link provided on our website under FORMS. After the forms are completed, they must be either taken or mailed to the DMV.

Note: If you would like to maintain a record of your accident report, make a copy BEFORE sending the original to DMV.
