HOW THE BREW OFF WORKS

We have 4 local breweries who have generously offered to participate in the brew off from noon – 4pm. 100% of sales made from the tasting flights will benefit Veteran Suicide Prevention Programs.

- Look for the Brew-Off table in the beer garden.
- Here you will purchase your tasting flight & receive a ticket to present to each of the 4 breweries. You will receive ONE 3 oz tasting from each of the 4 breweries.
- Decide what beer is your favorite and cast your vote with the provided token.
- Breweries will still be selling pints during the brew off, so you are welcome to purchase a pint of your favorite draft after trying them all out.
