From the Mayor's Desk

Neighbors,

We have been hard at work trying to identify funding to address the bad roads leading in and out of McGovern School and we are pleased to inform you the city has been approved for a two million dollar grant to replace the streets and sidewalks located on both NW Tumlin Avenue and Elwood Drive. The safety and security of our school kids, parents and faculty are the highest priority. We are very excited for the opportunity to provide this area with the improvements necessary to maintain harmony for all who utilize it.

Warm Regards,
Mayor Rutter

These include the Budget Committee, Traffic and Safety Committee, Economic Development Committee, the Park Board, the Friends of the Winston Library (F.O.W.L.) Board, and the City Planning Commission.
