

With the recent declaration of this year's fire season by the Douglas Forest Protective Association (DFPA), beginning midnight May 30, 2026, the burning of yard debris within the Winston city limits is prohibited.

For more information and restrictions for mowing dry grass, visit their website at [www.dfpa.net](http://www.dfpa.net) . Or, you may contact code enforcement, Officer Dana Parker, during business hours at 541-679-8706.

To report illegal burning 24 hours a day, call 541-440-4471.

This is the non-emergency line for Douglas County Dispatch. In order to properly enforce illegal burning laws, please call while the fire is still active. Don't wait to report nighttime burning until the next day.

Thank you in advance for passing this information to your neighbors.
