Welcome to the Winston Police Department.

It is an honor to serve the citizens of Winston as your Chief of Police. Every member of our department shares a common purpose: to protect our community, safeguard individual rights, and provide professional, compassionate service to every person we encounter.

The badge we wear is more than a symbol of authority it represents a promise. A promise to serve with integrity, to lead with humility, and to earn the trust of our community through our actions every day. Trust is not given; it is built through transparency, accountability, respect, and meaningful relationships with the people we serve.

At the Winston Police Department, we believe that public safety is a shared responsibility. While we are committed to enforcing the law, our greatest successes come from working alongside our residents, businesses, schools, faith organizations, and community partners. Together, we can prevent crime, solve problems, and create opportunities that make Winston an even stronger place to live, work, and raise a family.

Our officers are dedicated professionals who answer the call on someone's worst day. They serve with courage, compassion, and an unwavering commitment to impartiality and fairness. We continually invest in training, technology, professional accreditation, and leadership development to ensure we provide the highest level of service while adapting to the changing needs of our community.

This website is designed to keep you informed and connected. Whether you are looking for department information, crime prevention resources, public safety updates, or simply need assistance, we hope you will find this site helpful and informative. We also encourage you to engage with us through community events, social media, and direct communication. Your ideas, concerns, and feedback help shape the future of our department.

As Chief, I believe that every interaction matters. Every conversation, every call for service, and every opportunity to help someone strengthens the relationship between the Winston Police Department and the community we proudly serve.

Thank you for your trust, your partnership, and your continued support. Together, we will continue building a safer, stronger, and more connected Winston.

With respect,

Brandon Sarti
